SNUG HARBOR

President's Corner

Spring has sprung in Snug Harbor (and it's only March!) The weather has been exceptionally mild this past year. I'm so thankful we didn't get all those snow storms the mid-west got.

Your board of governors has been working together to make Snug Harbor one of the best communities in Perquimans County. We still have quite a bit of work to do. Our assessment collection at the end of February is 10% above last years. We are not at 100%, but we are trying very hard to collect what is owed to us.

We have several items on our capital projects list which would enhance our community. We are in need of a new (used) work truck. We have a new children's swing set for the Section A park ready to install. New signs will be installed at all the common areas within the next few weeks. We are working to get the speed limit within the Snug Harbor community lowered since we have a lot of pedestrian, skateboard and bicycle traffic along our main corridor. New homes are replacing older ones and lots are selling very well.

Please keep your property picked up and neat so everyone in the community can enjoy the serenity of North Carolina. Please keep in mind that your pets are your responsibility. Everyone in this community has the right to walk or ride down any street in this community without being attacked by anyone else's dog. We have had several complaints and told these individuals to contact Animal Control at the Sheriffs office at 426-5751 or 426-5615.

Civic League News

Spring is here and it is time for new growth to blossom and for gardens to be planted. Snug Harbor is no different. The Board Members are bringing in new ideas to add to our garden of tradition; this way our residents and members can have the comfort of keeping the familiar while adding new blossoms of ideas. In other words, the Board is weeding out the impractical and replacing them with new ideas that we hope will bloom and prosper. One way to expand the garden of ideas is to have the members of the Civic League as well as residents submit their ideas, comments, suggestions, questions, complaints, and hopefully their compliments on paper. By submitting these in written form all Board members will be able to read and respond to the issues at the Board meetings. A suggestion box will be available at each covered dinner for those who wish to leave their comments.

The Snug Harbor Civic League would like to get people of all ages involved in the activities and dinners that are held. In order to do this however, we need to know that we can do for the younger residents. Everyone is welcome to attend all of our functions. Parents should be aware that children should attend with their parents, unless otherwise stated. Some activities, like our dances, do run late. Some activities adults are allowed to bring alcoholic beverages, so if this is an issue for you, you might want to let them stay home. We have a short meeting after our carry-in dinners, but you may leave after eating if you so desire. If our current membership would bring in one family unit of any age with them to just one of our dinners or pancake breakfasts we would be able to meet a neighbor of our community that we have not had contact with before. Lets all do our best to bring in some smiling new faces.

Have you taken a look around our community lately? Snug Harbor, the hidden Treasure, has been changing and evolving. New people have found out that this area is quiet and friendly; a nice place to have a family grow up, or to retire in. In order for the Civic League to evolve, we need your help. Let us know what the community needs. Feel free to drop off ideas in the suggestion box, call a Board Member, or come to one of our meetings. "Let us know so we can grow."

We hope that all property owners will visit the website and register. Non-residents of Snug Harbor will only have access to certain areas of the website, so for full access please register!

A message from the Snug Harbor Community Church

Have you ever been to a really cool concert or sporting event? There are lights, people, excitement, and don't forget plenty of food and your favorite music group or athletic hero. However, there is a catch to this whole fun filled event; you only have so much access where you can go throughout the event. You simply can't just walk back stage or onto the playing field and say whassup!! You have to have a special backstage pass or security clearance to get in.

While Easter approached I was reminded of the fact that before Jesus came I had limited access to God. *Romans 5:2* tells us "we have gained access by faith into this grace in which we now stand. And we rejoice in the hope of the glory of God." This is so exciting because we now have full access to the kingdom of God through Christ Jesus! As we celebrate Easter this year let us all be encouraged to know that although we may have limited access in the event of life, Jesus has granted us unlimited access for us in the next life because of His death and resurrection! Now that's something to cheer about!

Ditches and Culverts

Several Snug Harbor residents have asked about cleaning the ditches in front of their property. In addition, ditches that are overgrown prevent the flow of storm water and provide excellent breeding grounds for mosquitoes and other undesirable insects. As we move into the spring and summer this will become more critical. In cases involving ditches along state owned streets, you can call The County Manager's office or Mr. Swain at the Perquimans County DOT office to complain. On community owned roads we are making every effort to ensure that they remain cut and clean. We ask that whether it is a state owned road or ours, if the ditch abuts your property, you can help all of Snug Harbor by maintaining those ditches free of debris and keeping them cut to increase water flow.

HURRICANE SEASON IS COMING!!

Are you prepared for the upcoming hurricane season? As we move into this season, the Board is dedicated to getting as much information out as soon as possible. We will e-mail all information received from the County to all those that we have e-mail addresses for. We ask that you register on the SHPOA website to facilitate this effort. Should you need transportation or special needs, we ask that you look into what assistance is available now! We ask that all of our residents look at their Hurricane Preparedness Plan now and make sure that you have the following:

- **Evacuation Plan:** Make sure you notify relatives outside the area where you are going! Do not wait until the last minute to leave if you are evacuating, or if they issue a mandatory evacuation order.
- **Food and Water:** The National Hurricane Center recommends a minimum of Seven (7) days worth of food and water be on hand for each family member residing with you. (DON'T FORGET THE SAME FOR YOUR PETS!!) Remember to fill things such as your bathtubs and all water containers for flushing water!!
- **Gas and Oil:** If you are staying and you have a generator, stock up on gas and oil!! Remember that even though the local gas stations try and get back online as soon as possible, they too may be without power longer than expected.
- **Medicine:** You should refill all prescriptions early enough to ensure that you are covered. The Family Care Pharmacy in Hertford recommends you to:
 - Try to get your medicine two days before projected landfall.
 - Bring in your bottles! If there is no power that is the only way a pharmacy can refill your medicine.
- **Shelters:** We remind everyone that the clubhouse is not an authorized shelter and will not be opened during the storm. The clubhouse will reopen after the storm passes to provide what services we can and act as a central point for getting help to those that need it!!
- **Individuals that have chain saws, heavy equipment and generators:** We ask that you notify us in advance if you are willing to help in the recovery of our community! Please call Steve at 426-5823 to let him know if we can count on you.

Prepare now!!

Your vigilant observance in your neighborhood is the greatest single deterrent to crime and the apprehension of those who break the law.

Things you can do to help keep our community safe:

1. Attend Community Watch
2. Be vigilant and report unusual activity to the law
3. Have a street light put up, criminals hate light!
4. Have a highly visible house number

Are you interested in being part of the Community Watch?? Would you volunteer to ride around periodically to let people know our community is under observation to deter crime and mischief?? Community watch meets on the third Tuesday of the month at the clubhouse at 7:00 PM. The Sheriff will be speaking at the May 20th meeting. This is one of the most important security programs we can establish to protect our families and property.
