SNUG HARBOR

President's Corner

Greetings Friends and Neighbors;

Summer activities are winding down and soon it will be time for long pants, jackets and sweaters. It has been a great summer for Snug Harbor residents. I hope you had a chance to visit our pool or park, take in a game of tennis or basketball, play a little softball or use our boat ramps to launch your boat, canoe or kayak, take in a Steamers game, play a round of golf or just take a walk or ride around our community. We are very proud of the way our community is looking and it is only going to get better. Keep in mind that volunteers are the key to any community staying connected and up to date. Consider volunteering for your board of governors or your civic league; we can always use your ideas! Thanks to our pool/park attendants, we had a lot of safe and fun enjoyment from our pool and park. The pool usually closes the day after Labor Day; however your board has decided to "play it by ear" for a few more weeks until it gets too cold for people to enjoy. Once attendance falls too low, we'll close it for the season.

We are in the middle of hurricane season, so please be vigilant about yourselves, your property and the property of your neighbors. The number one rule is to be prepared and play it safe. There is hurricane information in the clubhouse. This fall several individuals have shown interest in starting a Community Early Response Team (CERT) in Snug Harbor. These individuals would be the 1st responders to the 1st responders. In other words, these individuals would have training on putting out small fires, searching for individuals who may be trapped within a structure and administering basic first aid until the "real" first responders arrive. If you are interested in taking this training, please contact Wynn McCallister @ 426-5172. There is an initial outlay of approximately \$50 for a text, hard hat and vest. Training may begin after October, so please keep in touch. Aesthetics has always and will always be a thorn in the side of a property owners' association.

President's Corner Continued

What may look like object de art (such as a toilet bowl filled with flowers) to some individuals usually is appalling to property owners and visitors to our community. Our volunteers on the aesthetics committee try very hard and put in a lot of time and effort to keep our community clean, neat and safe for all to enjoy. We do not like to issue letters and invoke fines to force people to cut their grass or remove junked automobiles. Please help out by keeping your yard tidy and neat for all of our residents and guests to enjoy. If you need assistance with this endeavor, please contact the clubhouse and leave a message. Someone will contact you. A special meeting was called by your board of governors for September 18, 2010 @ 9:00. This meeting is a result of the lawsuit filed against our association and five 2009 board members by Mrs. DeWeese and Mrs. Klasing. This meeting is a result of our legal council's recommendation to minimize further impact upon this association from within this community. A vote was taken by the membership to either retain or remove Mr. William Toney Jr. from the board of governors and I'm pleased to announce that Mr. William Toney Jr. has been retained as a board of governor with a vote of 460 to retain and 132 to remove. He is a valuable asset to this community and one of our hardest working board member. Concerning this lawsuit; remember that this board of governors' first and foremost duty is to seek what it deems is in the best interest of the Snug Harbor Property Owners Association. This lawsuit will cost this association in excess of \$6,000. This unforeseen expense is yet another circumstance for the increase in 2011 assessments. After several budget sessions, the board has determined that the 2011 assessments need to be increased from \$85.00 per lot to \$89.00 per lot to bolster our capital reserve fund for maintenance projects. Speaking of SHPOA, we turn 40 next month!!! Yes, Snug Harbor Property Owners Association (SHPOA) was incorporated in October 1970. Jeanne Cullings is the committee chairperson heading up our 40th Anniversary Family Fun Fest on October 2, 2010 from 11:00am to 3:00pm! All members and their families are invited to this **free** event sponsored by your Snug Harbor Civic League and your Snug Harbor Property Owners Association! We have invited numerous community leaders, sheriffs department, state police, volunteer fire department, rescue squad and others who have helped SHPOA grow into the community we all wish to live. There is going to be food, games, SHPOA history, entertainment and cake!! Annis Murphy has

championed the design and production of a 40th anniversary tee shirt which will be for sale at a nominal cost. We will have raffle tickets for sale for numerous prizes and finally a 50/50 at the end of the day. Please mark your calendars and try to attend. This will be a great time to meet your neighbors and friends as well as have some fun before cold weather sets in. SHPOA board nominations are due by the 29th of September. However, if you haven't gotten your nomination form in by now, then it won't be included in this newsletter. Please get a nomination form and write a brief bio for all to view. Elections for 3 positions, Ken Minster, Bill Toney Jr. and Wynn McCallister need to be filled. Please volunteer your time and ideas to our community. The general meeting and voting is scheduled for November 13th. God bless our troops and "thank you" to all veterans. *Wynn McCallister*

Camping Section News

The Snug Harbor Board of Governors has worked hard to improve the Camping section this year. We have purchased a box blade with which to level the dirt roads and have used it on Camping section roads with great success and will continue to use it to help keep the roads in much better repair. In addition, we installed vent fans over the showers in the comfort station to remove moist air from the showers and help to reduce the amount of mold and mildew in the shower areas.

In an effort to reduce utility costs in the comfort station, a couple of owners who use the facilities in the wintertime have proposed closing the men's room in the winter and opening the ladies room as a unisex bathroom during the coldest months and shutting off heat and water to the men's side. This appears to have some merit and I have discussed this with some campers and have not found any objections so far. I would like to propose that we closed the men's bathroom at the comfort station from December 1 until March 15 which is just after the beginning of Lent next year and use the ladies room as a unisex bathroom. If any campers are using the facilities in that timeframe and have any serious objections to this I would like them to get back to me.

Currently the Snug Harbor Property Owners Association owns two lots in the camping section, P-9 and P-30. The Board is willing to accept reasonable bids for the purchase of these lots and bids should be submitted under sealed bid to the Board for their consideration.

If any Camping section owners have any suggestions for improvements or any problems that they wish to discuss with the Board, please feel free to contact me at my home at area code 252-426-1698 or use the suggestion form in this Newsletter and mail it to SHPOA or drop it in our suggestion box at the clubhouse.

Very truly yours, *Joe Nicklin*

SHPOA Properties For Sale

SHPOA has three properties for sale: Lots J-9 \$10,000, P-30 \$3000, and P-9 \$3000. SHPOA is currently accepting any reasonable offer submitted under sealed bid to the board. The board has the right to reject any bid.

Meet the Candidates for this Year's Election

Mr. William Ferguson

I am a team player with a history of service to Snug Harbor either on or off the Board of Governors. If elected, I promise to be fair to **all** Snug Harbor Property Owners Association members. I will make decisions based on the facts in front of the Board and not on rumor or innuendo. I will be true to our Covenants and act in accordance with our By-laws and Policies and Procedures. I believe in engaging in courteous debate with fellow Board Members while arguing either for or against issues before the Board. Thank you for considering me for election to the Board of Governors.

Mr. Kenneth Minster

For over two and one-half years I have served and along with 8 other board members tried to maintain our common property and be conservative with the membership's money. I led the initiative to buy our own mower and cut our grass, which saved us \$4,000 the first year, and more each following year. I worked with Mr. Toney to manage the park/pool operations saving about \$7,500 per year. We have nine very different members on the board and I can wholeheartedly tell you that we have the best intentions for our membership. We don't always agree and usually good discussion occurs, but there is no pounding on the table or name calling. The end result is we try to do what is best for Snug Harbor and listen to the membership. I also led the effort to purchase a new copy machine for the office which has greatly automated our printing, saving SHPOA considerable printing costs and valuable office time. This year we were faced with two unbudgeted expenses, unpaid taxes on a piece of property sold several years ago and a lawsuit against SHPOA costing over \$6,000. No one wants to raise assessments, but it became necessary, to meet our 2011 budget and return money back to our reserves. The lawsuit is not only expensive, it takes money away from needed projects and time away from doing important SHPOA business. Again, I ask for your vote, and will continue working for our best interest. Thank you for your support.

Mr. William Toney Jr.

I have worked hard for the last three years serving as your association secretary, operational manager of the park and pool summer program, and co-chair of the aesthetics committee. I've updated and automated the office and saved over \$3,000 by soliciting advertising and printing one of the best Newsletters around. As your park/pool operational manager I've worked with community watch and Sheriff Tilley to keep drugs off our property and saved over \$20,000 that SHPOA would have paid to contract this position. Some might say I must be crazy to want to continue on, after everything my family and I have been through. I still believe this job is about serving our wonderful community and listening to all the membership to make all of Snug Harbor a great place to safely raise our families, enjoy retirement, and take advantage of some super water recreational activities. I would greatly appreciate your continued support.

Mr. Joe White

A statement/bio was asked of Mr. White, who did not provide one for the newsletter.

Help save Newsletter Costs \$\$\$

Every newsletter costs around \$1.25 to print and mail out. Multiply that by 650 owners and sent out 4 times per year, the costs are substantial. In the coming weeks you can help by signing up to receive the Newsletter on your computer over the internet. It's faster and can help SHPOA redirect funds to speed up the completion of some of our capital projects. To sign up, stop by the office or send an email to secretaryshpoa @embarqmail.com. We have had over 60 Snug Harbor residents sign up which equates to a savings of \$300. For those who live outside the Snug Harbor area you can sign up by sending the SHPOA Secretary an email at secretaryshpoa@embarqmail.com
