40th
Year

**Come Back!!!
We Miss You**

Greetings Friends and Neighbors;

Your President Wynn McCallister was called away for a family emergency, and so I'm sure he would want you to know there are big plans in the making to celebrate the 40th Anniversary of Snug Harbor this coming October. Committees are forming from food to entertainment, and if you are interested in helping, watch for upcoming announcements. As part of the 40th Celebration, what an opportunity to spruce up Snug Harbor. If you have been putting off some major projects to paint, clean, landscape, tear down, build up, or just throw away, this is the year to do it. We all want Snug Harbor to just look great for this celebration. The Snug Harbor Summer Youth Program is in the process of raising money for the 2010 summer season and looking for an adult to lead the summer sessions. If you would like to contribute or apply for this paid position, contact Wynn McCallister. Many thanks go to the Civic League for a great Children's Easter Egg Hunt in the Park and the Snug Harbor Church for the Easter Sun Rise Service. Finally, please mark your calendars for the wonderful Civic League Covered-Dish Dinners and Bountiful Breakfasts. They are a great place to visit with friends and enjoy some delicious food.

Bill Toney Jr.

Do you remember the Saturday nights when we'd all get together at the Club House and share pot luck? There were so many people there we wouldn't be able to talk to everyone before we were forced to sit down to eat. Or how about the Pancake Breakfasts where we'd all try to be the first ones there; not so much for the food, although it was good, but for the camaraderie of having breakfast with your friends and neighbors. Then there were clean-up Snug Harbor days, when many hands made light work. We'd all pitch in together to make our community a neater place to live. What happened? Where are you? Did you forget about what good times we shared? I haven't. It was great! It was one of the reasons we love it here. Come on back! Support your Snug Harbor Civic League activities. I miss you all!!! *Barb Dabolt, your neighbor and old friend, and member of the present Civic League Board. with the great opportunities.*

Civic League

EASTER EGG HUNT

You can tell spring is here! It started out with a well attended clean up of Snug Harbor. In a little over an hour and a half, 21 of our members collected 39 bags of trash. The covered dish dinner had a rather small turn out, but we did have a good time and met the new youth directors from the church. Speaking of youth and children, there was a great Easter Egg hunt for the kids at the park on April 3. It was hard to tell who had more fun, the kids or the adults. As is the tradition, the Civic League provided coffee, hot chocolate and donuts for the Sunrise service at the park on Easter Morning. We are blessed to have such a wonderful place in Snug Harbor to hold this event. There will be no May Fest this year as we are joining with SHPOA for a celebration of the 40th Anniversary of Snug Harbor. We are putting all our efforts toward a huge party for the community which will take place in October. In the meantime don't miss out on the Civic League's Covered Dish Dinners and Breakfasts. Dinners will be on April 17th, May 15th, and June 19th. Breakfasts will be on April 24th, May 29th, and June 26th. Although the attendance is less in the summer, we will have covered dish dinners for those that are here with their family and friends. The Civic League Board is very small now and can always use the help of volunteers. If you can help and are interested in working on the board or with anything the Civic League provides the community, please let us know. Hope to see you at a dinner or breakfast and bring your family and friends.

Snug Harbor Summer Youth Program 2010 Donations Welcome

SHSYP 2010 will kick off after school is out in June. The program is looking for someone to volunteer to coordinate this activity. We did not receive county money last year as private donations supported our entire program. Our 2009 critique brought numerous recommendations which should enhance youth programming this year. We envision more field trips and more presentations. **If you feel that you can possibly make a donation to this worthwhile endeavor, please send your contributions to Wynn McCallister, 146 Navajo Trail, Hertford, NC 27944.** Please make out checks to "Perquimans 2020" as Mr. Leo Higgins has, again, volunteered to handle all of our finances for us.

Company Makes Tub to Shower Conversions Easy

Today, there are approximately 35 million people age 65 or older in the United States. More than 7 million of these older Americans have some sort of chronic disability.

By 2011, the baby boomers will be reaching 65. As this group of Americans steadily increases, there is one local company that is catering to the rising needs of bathtub to shower conversions, which allow for easier access.

"Being in the remodeling industry for more than 20 years, I have seen a variety of trends come and go, but tub to shower conversions have certainly become more popular over the past few years. Of the Bath Makeovers that we are doing, showers are our biggest selling item," said Mark Swimme of Swimme & Son.

Swimme & Son's tub to shower conversion is a simple two-step process. First, the old tub is removed and replaced with a slip-resistant shower pan to avoid difficulties when getting in and out of the shower. Next, an acrylic wall surround is installed, covering up the old tile and unsightly substrate.

According to Swimme, acrylic is the material of choice for tub to shower conversions and bathtub remodeling.

"An important factor for our clients to note is that acrylic is mildew-resistant. Luxury Bath's acrylic does not chip, dent, crack,

peel or fade and offers enduring beauty that is attractive, durable, and easy to clean."

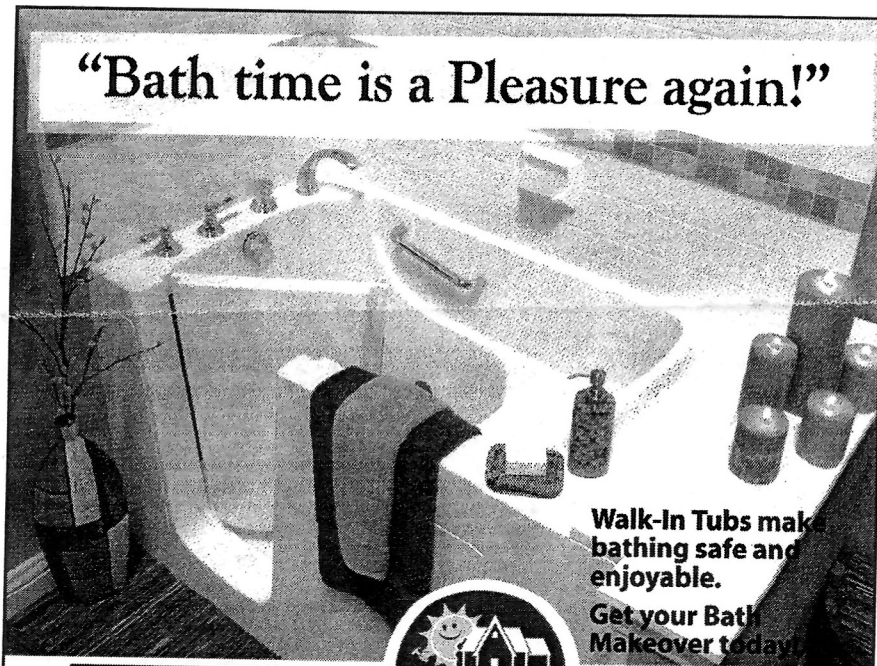

The acrylic wall systems also come in a huge variety of colors and textures, many of which look exactly like real tile. Custom ceramic tile is also an available option for clients who do not want the acrylic walls.

Swimme & Son also offers sunrooms and a variety of other remodeling services with their exclusive Service for Life and Money Back Guarantees. For a free in-home estimate, call 338-8443. For a free Bathroom Idea guide to help plan your remodeling project, visit www.bathroomideaguide.com

Swimme & Son can turn your tub into an easy-to-use shower in one day. Call Swimme & Son for more information.
