LETTER FROM THE PRESIDENT

As spring has sprung, I see that we have many things to be joyful about being in Snug Harbor.

With all the flowers budding, birds chirping, and leaves popping out, it turns our community into an even more beautiful place to live. The SHPOA website has had some gorgeous pictures from community members. Visit the page often to see new photos and current activities available to you and your family.

Soon we will be getting ready to open the pool and have fun in the sun. The hours and other information are included in this newsletter.

Plan on celebrating the Fourth of July with a Cookout and Boat Parade on Saturday, July 2. This is a collaborative event with Civic League and Snug Harbor Board. It is a great family event, we supply the Hot Dogs, Hamburgers, and drinks, music and everyone brings yummy, covered dishes to the event. The Park is a beautiful setting for the event. More details to follow about the boat parade and times for the events.

In November at the Annual Meeting, we will again elect three board members. If you are interested in serving on the Board of Governors and are a property owner in good standing, you are eligible to apply. If you want to talk to any of the board members about board responsibilities, jobs, and commitments, please call the office and a board member will gladly meet with you.

If you are interested, complete and submit the Board of Governors Nomination Form (found on the website under documents/forms <https://shpoanc.com/forms>). A form can also be picked up at the office or emailed to you. Nomination forms are due September 28. Please consider volunteering!

Enjoy the weather for walking, biking, boating, or other activity.

Sincerely,

Toni Cacace-Beshears

President, Snug Harbor Board of Governors

POLICY REMINDERS

Aesthetics Information

Greetings fellow Snug Harbor residents!

I want to take a quick moment to remind us of all the policies about aesthetics. These policies both serve to keep Snug Harbor looking great and to preserve property values.

Current Covenants

Article 6, Section 3, paragraph C

Outside trash and garbage shall be maintained in sturdy containers, as inconspicuously as practical, and they shall be emptied regularly. No signs or advertising posters (including political) shall be permitted on any lot, except signs identifying the residents or name of the property, “for sale” and “yard sale” signs which will be removed as soon as the sale has ended...No junk, wreck, or inoperable automobile, truck, trailer, or boat shall be permitted to remain on the property, nor shall other unsightly materials be stored thereon.

These items are also listed in the current aesthetics policy, available on the Snug Harbor website or in the office.

Regarding the violation letters you may receive, please keep in mind that we do not know everyone’s situation. If you do receive a violation letter and need some help, please do not hesitate to reach out to us. We have a great network of community volunteers that are always willing to lend a hand. The letter is really meant as a “Hey, we noticed...” letter. We don’t know what, if any, help is needed. The letter opens that communication.

Most of us are doing a great job adhering to these policies, and the items recently found in violation were handled quickly. Thank you all for your efforts!

Tim Williams
Chair, Aesthetics Committee
